

THE OIL SPOT

www.northwestbritishclassics.com

President's Note

Hello to all the members of NWBCCC. We are getting closer to the premier car show in August. I'm going to beat this into the ground, but we need to get our ducks in a row and get registered for Brit Bull. As of now we have 23 entrants. This is really kind of disappointing and a little aggravating. We drive these cars because they're fun and classic looking, and when we show them off, you hear nothing but ooh's and aah's from everybody that see's

them. The Oil Spot is full of helpful items, and one of the big one's, is the entry form.

I welcome some new members, Brad Rivera 1955 MG TF 1500, very nice car! Also joining us is Mike Aslin & Vicki Cohen, Spokane 1969 MGB.

We have drivers joining Dave Hofstadter, for the CdA car show & cruise Saturday June 15th. He has put out a blast, about getting there early and together. June 29th Hayden drive and BBQ meeting at Post Falls Yoke's at 1000, departing 1030, following Bill Puskas in his Jag, E type.

Next meeting July 13th, Valley Mission Park, 11123 E Mission Ave. Bring some food and drinks to your liking and let's have another good time!

NWBCCC Meeting Minutes

June 08, 2024

The Club meeting for June 8, 2024 began at 10:11 am with 36 members in attendance. The Treasurer's Report was approved; the Minutes from the last meeting were also approved.

New Business: Randy reviewed upcoming car events that we might want to attend:

June 14 - 15: Car d'Lane. Dave Hofstadter will coordinate this event. Contact him for information. You must get there early for a good spot.

August 3: The Highland Games at the Spokane Fairgrounds. The Club donates \$100 to the Highland Games. They give us free admission and let all our British cars park together. Plus we have access to refreshments and the Single Malt Scotch Tasting Room.

New Member: Brad Rivera has a 1955 MG-TF.

July 13: Western Washington: All British Field Meet in Kenmore WA. The show is free, but you need a Discovery Pass for St. Edward's State Park. Info is online.

July 28: Hot Dogs and Hot Rods in CdA. Supports the St. Vincent DePaul Society. Registration form is in the Oil Spot. Space is limited so sign up early.

July 26 & 27: Fabulous 50's at Grants Pass, Oregon. It is \$40 and you must register by June 30. It is \$45 after that date.

Bill Puskas announced that he and Melanie are organizing a drive and BBQ for June 29. Meet at Yokes in Post Falls at 10 am. The drive will last about 1.5 hours. There is a park and pavilion near Bill's house in Hayden and they will provide hamburgers and hotdogs to barbecue there.

NWBCCC Meeting Minutes

June 08, 2024 (continued from page 2)

Bill also announced that he has T-shirts, sweatshirts and caps from previous Brit-Bulls for sale. He also showed the design for this year's T-shirt. Bill would like a count for t-shirt orders for when you sign BritBull so he doesn't order too many. If you aren't going to BritBull, you can order these items through Kevan.

Volunteers for BritBull are always welcome. Let Bill Puskas know if you'd like to volunteer.

Ed and Barb Woodall will be spotlighted in the next Oil Spot.

The next meeting will be at the Valley Mission Park on July 13. The address is: 11123 E. Mission Ave. in the Spokane Valley.

After the meeting, Mark Elmore led a drive to the Bird Museum at CdA.

Meeting closed at 10:30 am.

NWBCCC Member Spot Light

(Ed & Barb Woodall)

Hi, our names are Ed and Barb Woodall and we have lived in Spokane Valley just about 40 years. Meet Londas, our 1967 MGB. Londas is named in memory of Ed's Dad. Ed's Dad always wanted an MGB and after he passed away, Ed saw one for sale in the Northside Safeway parking lot. The previous owner was a Spokane police detective. His wife said it was time to sell when he could no longer use the car for under cover work after Spokane police changed their policy on it's use.

We joined NWBC car club in 2023, so are new. When we joined, our MGB was not running and at Botzon's Automotive being repaired. After a few months, we ended up with a new fuel system, brakes, clutch, tires, inner tubes and used transmission. Basically, anything rubber had to be replaced, as Londas had sat in our garage, undriven for the last 16+ years. Londas is back on the road again!

(CONTINUED ON PAGE 6)

NWBCCC Member Spot Light

(CONTINUED FROM PAGE 5)

With the rainy, windy weather we have had this year, getting the interior and top restored was a really big priority. The seats were so low and worn out, Ed couldn't see over the steering wheel. Top and interior have now been redone.

BEFORE

AFTER

Now, we need help with the body. Both doors are very hard to open and close, in addition to a bit of cancer in the rear-end so need immediate treatment. We are not looking to have in cherry condition. Our goal is to go on drives with the club and have fun!

If anyone knows of anyone who does body work, we would really appreciate any references

Last of all, I am currently the editor of Oil Spot. A big thank you to all of you for your continued contributions (pictures, articles and readership!

If you are interested in being featured in Oil Spot - monthly 'Member Spot Light', please let Randy Staples or Barb Woodall know. We would like a picture of you & your car and a short bio of you & your car. Thank you for volunteering!

An Impromptu Drive (June 5)

It seems that on most Wednesday mornings at Big Bear Deli in Post Falls, Idaho, there is an unofficial, informal, unsanctioned gathering of little British car aficionados. Well, sometimes, if the weather is nice, some of these enthusiasts just take off in their British cars for an unplanned drive to parts unplanned. Such was the case this past June 5th where, after lunch, six British motorcars were seen roaring off from the deli on an impromptu drive. In the parking lot, Lynn Martin was elected to lead, and off they went for an hour or two through the back roads around Rathdrum and Spirit Lake Idaho. After an hour or so, a strategic pause was made at the state park on the lake for a pit stop. Pictured with the cars are (L-R) NWBC president Randy Staples, Gregg Upton, Bill Puskas, and drive leader Lynn Martin. Bob Flatley was also on the drive but apparently did not need a pit stop so is not pictured. Photo by yours truly, Dave Hofstadter.

Bay View Cruise in North Idaho Impromptu Drive (June 2)

On June 2nd five NWBC cars joined in the Bay View Cruise. The day was perfect. That means the rain held off until the cruise was over. We were 16 cars of all makes led by the cruise organizer Christina in her lovely red Mustang named Waldo. From the start at Lake City High School she took us up past Farragut, through the town of Bayview, through the town of Athol and along scenic back roads back to the high school.

Pictured here are cruisers Diane Hofstadter with her E-Type, Corky Meyer and his XKR, Dan Croskrey with his Midget, and Mark Elmore and his SOB. Kent Green and his Sprite ran the course, but left before the photos.

Pictured to right are Diane and Christina.

Cars and Coffee (June 1)

Two NWBC LBCs are pictured at the June 1st Cars & Coffee, held every Saturday, 8-11:00 am, at Church of the Nazarene, 4000 N 4th St. in Coeur d'Alene.

2024 - RECENT EVENTS

(May 19)

Mostly British cars lined up in Spokane Valley, WA for the start of the Corbin Senior Center drive. Due to shoulder surgery, drive designer Jim Houghton could not lead in his Mk 1 Sprite, so Maddy lead the drive in their SOB. It was a well led cruise through the Palouse, ending up at the DAA Auction House in Airway Heights WA.

The rain held off until we arrived at the auction house destination, where we were to show our cars. They did their best to get our open cockpit stalwarts under cover.

We joined a crowd of folks to bid on a variety of items to benefit the Corbin Senior Center. In return for showing our LBCs we were treated to dinner on the house. Here are some of the NWBC attendees: (L to R) recovering drive designer Jim Houghton with his arm in the sling, Dave and Diane Hofstadter, NWBC president Randy Staples, and drive leader Maddy Houghton.
