

THE OIL SPOT

www.northwestbritishclassics.com

President's Note

What a beautiful day for showing off some of the nicest cars on the road in history. Every time we bring them, people can't help but gawk and aah at the superb driving experiences! Our last day at Barlow's until October or November, such great food and service we have received there. Never hesitate to go in and eat other times!

June meeting at Greenacre Park 08 June.
Park is reserved from 0900 to 1300, and

bring your lunch box and drinks with you. Meeting will start at 1000, and after that it's, talk, eat, and bull session. Again I want to welcome Brad Rivera and his MG TF 1500 to the club. What a fine looking car it is.

Brit Bull is getting closer and we need to get our registrations into Kevan sooner than later. As of Saturday he only had 4 sign-up's, and I know one of those was mine. Apparel for the show is due to the shop by 30 June so they know how many we're going to order.

Corbin 75th Auction drive and show will meet at 1023 S Pines at 1200, and that will get us to Airway Heights, in time to get us parked and showing off. Jim has a good idea for the drive!

Have a wonderful rest of May and see you on the 08th of June!!

Randy Staples

NWBCCC Member Spot Light (Dave Hofstadter)

Hi. I'm Dave Hofstadter and I drive a British car. She is a 1969 Jaguar Series II E-Type OTS. Her name is Queen Anne. Diane and I bought her 21 years ago from a man in Dallas, Texas who raced E-Types, and he had added headers and triple SU carburetors to her. She came ashore in Fort Lauderdale, Florida and we are the third owner. She survived a crash a few years back when her driver's side was bashed in when I got caught between her and another moving car. We both mended well. Her historical claim is that she rolled out of the factory in Coventry, England the day Neil Armstrong stepped out as the first man on the moon.

NWBCCC Member Spot Light

(continued from page 5)

Diane and I moved to North Idaho seven years ago from Washington, DC, where I was a university professor and Diane a counselor. Before that, in the Air Force, I served in the Pentagon and before that flew in B-52s as the electronic warfare officer. Diane hails from Northern California and I from Georgia. My claim to fame is I got to be NWBC president for five years.

If you are interested in being featured in Oil Spot - monthly 'Member Spot Light', please let Randy Staples or Barb Woodall know. We would like a picture of you & your car and a short bio of you & your car. Thank you for volunteering!

Morris Minor restore going on

Rumor has it that Pete Yarbrough is restoring another British motorcar. Who knew that a Morris Minor was made of so much lumber? Stand by for updates.

LBC restore?

A little bird told us that Jim Houghton is acquiring another LBC. It looks like it is being restored, and is RHD, and we don't have one like it in the club at the moment, but from the looks of it, it is not the long awaited Aston Martin. Details to be revealed in upcoming issues.
